### **Student Demographics**

The following data regarding **student demographics** has been collected, retained, and analyzed:

- Enrollment (Required)
- Grade level (Required)
- Ethnicity (Required)
- Attendance (Required)
- ✓ Mobility (Required)
- ✓ Socioeconomic status (Required)
- ✓ Discipline (Required)
- ✓ Limited English Proficiency (Required)

Summarize the analysis of data regarding student demographics:

## Strengths:

- 1. Good Attendance Rate
- 2. High Graduation Rate
- 3. High Graduation Follow-Up Rate

Weaknesses:

MAP Scores - particularly 6th grade math Limited resources for ELL population Enrollment numbers are dropping

Indicate needs related to strengths and weaknesses:

Continue seeking a full-time ELL position.

Ensure services are being provided to the students in the free and reduced lunch population.

Provide tutoring and interventions for students at risk of not meeting state standards.

## **Student Achievement**

The following data regarding student achievement has been collected, retained, and analyzed:

- MAP results by content area and grade level, including multi-year trends (required)
- MAP results by ESEA Annual Measurable Objective: comparative data showing performance of disadvantaged students against all other categories of students in the school; comparison of performances of students in various subgroups (required)
- Completion rates: promotion/graduation rate, retention rates (if applicable)
- 🗹 Post-Secondary trends: students attending and/or completing post-secondary schools, students accepted in the armed forces (if applica
- ✓ Other performance indicators used in analysis:

Career Education Placement Technical Skill Attainment

Summarize the analysis of data regarding **student achievement**:

Strengths:

Graduation Rate Participation Rates School-wide Title 1 Program which allows us to provide services to any student that need them. IRC participation

Weaknesses:

We are always looking to increase our MAP and EOC scores. Our MAP data indicates a discrepancy between our ELL population and our non-ELL population.

Indicate needs related to strengths and weaknesses:

- 1. Improve math and science proficiency rates
- 2. Continue to recruit and retain quality math and science teachers and paras to assist teachers in the classroom.
- 3. Provide tutoring services for students both inside the school day and/or provide after school tutoring and homework help as needed.
- 4. Continue to prepare students for the work force or college placement once students have graduated. The trends are showing that more of our student population is entering the workforce once they graduate so the district will continue to support that track as well as those entering a postsecondary institution or college.
- 5. Using research based programs, monitor student progress in all subject areas and continue to review effective teaching practices and materials through grade level and department level meetings with the curriculum director and principals, instructional coach.

#### **Curriculum and Instruction**

Data has been collected, retained, and analyzed regarding each of the following factors of curriculum and instruction at the school:

- Learning expectations
- Instructional program
- Instructional materials
- Instructional technology
- Support personnel

Summarize the analysis of data regarding curriculum and instruction:

#### Strengths:

The district has quality support personnel in place to assist teachers and students with learning. The district continues to increase the number of instructional technology devices within the district and updates as necessary. The MS and HS are fully 1:1.

Teachers at the middle school level and EOC courses use Progress Learning, Edgenuity, and classroom assessments to determine student needs and areas of weaknesses.

#### Weaknesses:

Writing in content areas Math resources that do not meet all of the MLS

Indicate needs related to strengths and weaknesses:

Ensure fidelity and accountability that teachers are following the vertical alignment and using the resources to meet state standards. Actively work with teachers to identify good resources that can be used to supplement the core curriculum resources in order to fill in the gaps.

# **High Quality Professional Staff**

Data has been collected, retained, and analyzed regarding each of the following factors of a high quality professional staff:

- ✓ Staff preparation
- ✓ Core courses taught by appropriately certified teachers

Family	and Community Engagement	
Data has	s been collected, retained, and analyzed regarding each of the following factors of family and commun	nity engagement at the school:
<b>✓</b>	Parental involvement	
	Communication with parents	
	Policy Involvement	
<b>✓</b>	Parent education	
<b>✓</b>	Support for special needs and underserved	
	Health services	

Summarize the analysis of data regarding **family and community engagement**:

Strengths:

According to the end of the year parent engagement survey. The top highest ratings are as follows:

- 1. Children feel physically safe at the school.
- 2. Facilities are clean and well maintained.
- 3. Parents are able to contact teachers and admin as needed.

The district, as well as community churches and outreach services, offer a number of programs to benefit our underserved students and students with special needs. A few of these programs include backpacks of food for qualifying students over the weekends, free breakfast, snack and supper offered to all students in the district, and a gently used clothing store for parents to utilize as needed. The district also provides a number of health and wellness screenings for students including vision and hearing, dental programs, a cardiac kids program for 5th graders, PAT services and screenings, Adopt-A-Snowman tree at Christmas, etc

#### Weaknesses:

The bottom lowest ratings on the district climate survey are as follows:

- 1. The school provides parents with information to have a good understanding of the school's programs
- 2. The school promotes an environment of mutual respect.
- 3. Effective assistance is provided for children having difficulty.

Indicate needs related to strengths and weaknesses:

Increase communication with parents to provide more information about educational programs.

Work to promote a more positive environment among students.

## **School Context and Organization**

Data has been collected, retained, and analyzed regarding each of the following factors of **school context and organization** at the school:

- ✓ School mission/vision
- ✓ Average class size
- School climate
- ✓ Management and governance
- Student discipline policy

Summarize the analysis of data regarding school context and organization:

Strengths:

The Sarcoxie High School believes every student can learn and achieve excellence and strives to ensure all students have access to success.

Following the CSIP and reporting to all stakeholders.

The district provides summer school courses at the HS all summer long to help bridge any learning losses and gaps. The student-to-teacher ratio has held steady the past three years at 14:1 at the HS level.

## Weaknesses:

The High School is still in school improvement status.

Some parents expressed concerns about communication between the school and parents. The school has multiple different apps for communication.

Indicate needs related to strengths and weaknesses:

Continue to provide services that create awareness to students and parents about bullying and suicide prevention.

Improve communication with parents regarding school climate and educational programs.

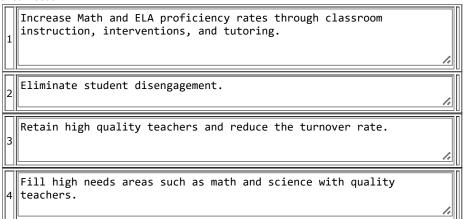

# **NEEDS ASSESSMENT: IDENTIFYING PRIORITIES**

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be address improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts schools prioritize their major issues and address no more than three of the most important..."
